**Fairfield Battery Energy Storage Project for up to 49.9MW, on Land at Fairfield, Inverurie, AB51 5BL**

**Dear Members,**

I am writing to you regarding Green Switch Capital Ltd's proposal to develop a battery energy storage site, on Land at Fairfield, Inverurie, AB51 5BL. A Proposal of Application Notice (ref: ENQ/2024/1599) was resubmitted to Aberdeenshire Council on 7<sup>th</sup> April 2025.

The first public consultation event was held on 4<sup>th</sup> December 2024, and the second public consultation event was held on 5<sup>th</sup> March 2025 at the Meikle Warte Village Hall, Meikle Warte, AB51 5AA. Additionally, the Applicant has also engaged directly with neighbouring properties close to the site. The Applicant will hold a third public consultation event on Monday 28<sup>th</sup> April 2025 at the Meikle Warte Village Hall, Meikle Warte, AB51 5AA.

### **Public Consultation Event 3**

We would like to invite stakeholders and members of the public to find out more about the progression of the proposed development at a third public drop in consultation event on **Monday 28<sup>th</sup> April, between 3:00pm and 6:00pm at Meikle Warte Village Hall, Meikle Warte, AB51 5AA**. We would be happy for you to share details of the event with your constituents, and the event will also be publicised in a press advert at least seven days prior to the event.

Attendees will be able to learn more about the project. Attendees will also be able to put questions to members of the project team, and provide valuable feedback. For those unable to attend, project information and a feedback survey can also be accessed via our project website: [www.fairfieldesf.co.uk](http://www.fairfieldesf.co.uk).

Please note at this stage any comments made to the prospective applicant are not representations to the planning authority and if the prospective applicant submits an application there will be an opportunity for members of the public to make representations on that application to Aberdeenshire Council.

### **Next Steps**

We would welcome the opportunity to meet with yourself to hear any specific concerns regarding the proposed development and to answer any specific queries. If you would like to meet, please contact Iain McMillan on 0131 2855754 or by email at [iain.mcmillan@locogen.com](mailto:iain.mcmillan@locogen.com).

Yours faithfully,

Iain McMillan
